administration

TO THE administration and faculty, our guides through four years of higher education, we dedicate this section. Years of selection by the administration have developed this distinguished group. By their influence, student understanding has been improved. Thus, we feel honored in presenting them as members of the Ohio University faculty.

DOCTOR ELMER BURRITT BRYAN
President

DOCTOR ELMER BURRITT BRYAN is completing his eleventh year as president of Ohio University. These eleven years mark a period of growth and development which easily place the institution among the leading universities of the country. An increased enrollment this year, in the face of financial strain, can only be interpreted as a vote of confidence in the integrity of the institution. Through these months of crisis, President Bryan has shown himself an educational statesman. Not once has he allowed his vision to be blurred by material pressures. When the educational history of these times is written, the practical idealism of our president will place his name high among the outstanding educators of our country.

EDWIN WATTS CHUBB

The College of Liberal Arts

Recently a conference of twenty leading educators was held to discuss the existing educational system. There was unanimous agreement that the present system failed absolutely in training youth to meet the real problems of life and that therefore it was fundamentally wrong in principle. But unfortunately there was little agreement as to what are the "real problems of life", and no agreement as to what substitute should take the place of the present system.

How much simpler life would be if water and bread were the only substances man could use as a diet, and the exact quantity prescribed by divine revelation, and if in the intellectual life a similar revelation had outlined the course of study inevitably leading to culture and the solution of the "real problems of life". Life would be simpler, but not so interesting.

The aim of the College of Liberal Arts is to give the student an acquaintance with the civilization of the past and the present, with the sciences that have made man the master of the earth and sky, with the things of nature and the nature of things, with the arts that feed the soul with beauty. A liberal education should free one from herd opinion, superstition and fear, and should give one self-mastery, the power of self-analysis, suspended judgment, and urbanity.

Even if the student has decided upon his life work, he will do well to lay broad foundations before specializing. It may be advisable to defer the selection of one's major interest until the Junior year, for college life may well be a voyage of self-discovery. To have a harmonious development of all one's powers is more important than the excessive development of any one power.

DEAN
THOMAS COOKE McCracken

The College of Education

The College of Education is completing the thirtieth year of its existence, having been established by legislative action in 1902. Although more than one hundred years younger than other parts of Ohio University, its vigorous growth has enabled it to take its place as one of the substantial parts of the institution. This relatively new activity of the University has developed rapidly in a field where definite preparation for one of the great professions was recognized as a distinct need.

The establishment of higher standards in the profession of teaching, society's recognition of the necessity for larger educational facilities for youth, the growing demand for professionally prepared teachers, and other factors gave a strong impetus to the rapid development of the new college within the University. The steady growth in standards, the increase in the number of students, the careful selection of

a superior faculty, and recognition by state and national accrediting agencies have allowed the College of Education to take its place as a strong factor in the work of the University.

The College of Education expects its graduates to become familiar with various fields of basic academic knowledge as well as to make thorough preparation in professional studies. Accurate and careful mastery is stressed by all departments of the College. Without this accuracy in knowledge, thoroughness in teaching cannot be secured.

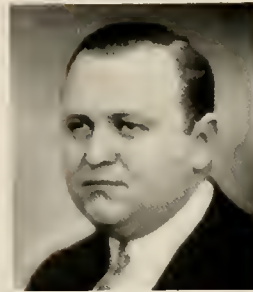

The College of Education of Ohio University exists primarily for the purpose of preparing young men and women to become teachers. Its graduates with their backgrounds of preparation and student-teaching experience leave the University ready to enter the profession under very favorable circumstances.

Senior Class

Four years ago, this class came to Ohio University as raw material to be shaped by skilled men and women, the faculty, into peoples capable of entering the world to struggle for their rights.

In looking back over the record of their achievements during the four years of life here at this great institution, the members of the class of 1932 can refer with pride to the number of changes which they have been instrumental in effecting. May they be as successful in life as they have been in college.

Junior Class

The class of 1933 was undoubtedly the class of the campus during the past year. The Junior Promenade was the most successful in recent years. The publications under the management of this group had one of their most successful years. In every type of college activity, from 8 o'clock classes to late dates, this class was well represented.

The Juniors came through the first two years of college life with flying colors. The Freshman year was spent in bowing to the will of Sophomores and the Sophomore year was spent in subjugating Freshmen. The benefits derived from the associations and from the hours of study were merely stepping stones to the accomplishments of the Junior year.

The third year of college brought with it a conception of the realities and responsibilities of life. It will be with the purpose of attaining these goals that the class of '33 returns to Ohio University next year.

The Junior Promenade, which proved to be the outstanding social event of the year, was held April first in the Men's Gymnasium. The gym was transformed into a beautiful blue and gold ballroom, and the dancing floor was surrounded by fraternity and sorority booths. Decorations were the most elaborate ever attempted for an Ohio University function. Much interest was shown in the election of the Junior Prom Queen, who was selected by a vote of all University men. Johnny Johnson and his orchestra furnished the music. Junior President George Cochran and General Chairman Armand Lehman, assisted by a committee of representative men and women, directed the event.

Sophomore Class

Many of the triumphs of the class of '34 were only figurative, but the tug-of-war was undeniably a victory for the Freshmen. No one will forget the spectacle which the Sophomores presented as they were unwillingly pulled through the mud and slime of the lake. The yearlings also stole the show in the Tin-Can Derby.

The summer vacation served only to spur the class on to new levels of endeavor and accomplishment.

The fact that this was the largest class ever to enter Ohio University is a clear mark of progress in the history of the institution. If past triumphs are any index to future victories, this class will surely go far in making its mark in the world.

Freshmen Class

The class of '35 came to Athens full of spirit. Their desire for conquest carried them triumphantly through the intricacies of registration, of the "Bettie Shop", and of the "Inn".

Aroused by the success of this campaign, they took the fraternities and sororities by storm. This last victory spurred them on to a flank attack on the professors in their class-room castles. Not satisfied with these glorious conquests, the class pressed on into other phases of campus activity.

Following the tradition of the University, the Freshmen chose their own staff of officers: Robert Freeman, president; John Wolfe, vice president; Helen Eberst, secretary; and Kathleen Allen, treasurer. Under the guidance of these leaders, the class of '35 intends to become the outstanding class in the history of Ohio University.

Campus Affairs Committee

The Campus Affairs Committee is an officially approved committee of the University which directs and regulates extra-curricular activities.

The personnel is made up of an even portion of students and faculty, and an equal number of men and women. The president of the University appoints the faculty members, with the exception of the Dean of Women and the Dean of Men, who are permanent members of the committee. Other faculty members are limited to a maximum of three years.

Four of the students of the committee hold office by virtue of campus affiliations: President of Women's League; president of Men's Union; president of W. A. A.; and the editor of Green and White. Two other students-at-large are elected by the ten designated members of the committee.

The committee considers all requests for new campus organizations, all social regulations pertaining jointly to men and women, all appointments to positions on campus publications, all complaints regarding publications, and other business related to and growing out of the preceding items.

Men's Union

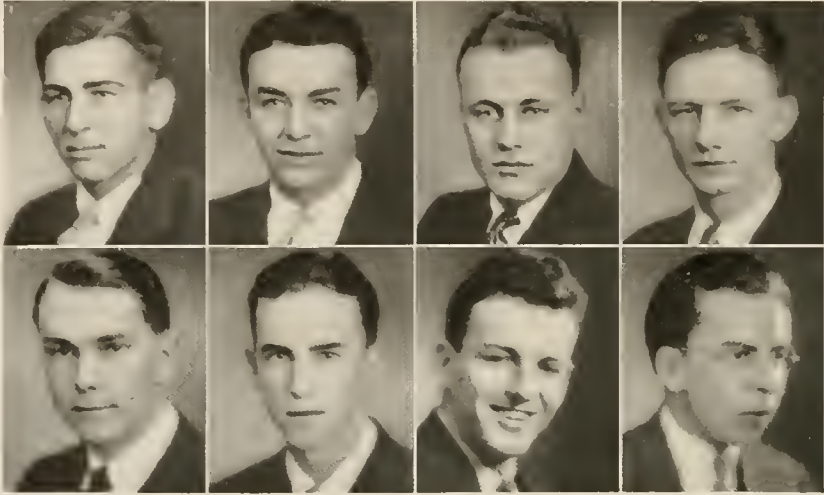

In 1922, a committee of twenty-five student representatives, acting in co-operation with President Bryan, made a careful study of Ohio University campus life with the view in mind of organizing a Men's Union. Plans in operation in other schools were carefully considered and evaluated. As a result of the work of this committee, the Men's Union was founded.

The Union is the center of activities for University men. Every properly matriculated man automatically becomes a member. This membership entitles him to the use of the Union facilities—recreation room, lounge room, or periodical library.

The Registration Hop, Thuse Meetings, Freshman Mixer, and the Rodeo are some of the functions which are under the direction of the Men's Union.

To aid the officers in performing their duties the following boards have been organized: Junior-Senior Governing Board, Campus Activities Advisory Board, and the Social Activities Advisory Board.

The officers of the Men's Union who have ably conducted its work for the past year are: President, Clarence Bryan; vice president, Eldon Hauck; secretary, Elmer Rapp; and treasurer, John Reilly.

Row One—Kermit Blosser, Elmer Babka, Robert Smith, Dale English.

Row Two—Stanford Kearins, Wilbur Urban, William Shea, Ward Conaway.

Junior-Senior Governing Board

The Men's Union of Ohio University is comprised of three boards which are the controllers of different activities undertaken by that organization. The first of these three committees is the Junior-Senior Governing Board. It is composed of eight members elected each spring at the general election, five of which are taken from the Senior class and the remaining three are selected from the Junior class.

One of the many activities of the board is the promoting and supervising of the Freshman-Sophomore "sack rush" and the "tug-of-war". Among the other duties of the board are superintending of the book exchange which is sponsored by the Men's Union each year, taking care of the annual publicity of the Men's Rodeo, and arranging and executing the Thuse Meetings that are held before each athletic contest

Through a thorough co-operation in all ways the board has been very successful in the past year in all its various undertakings.

Campus Activities Advisory Board

The members of the Campus Activities Advisory Board are chosen in the spring campus elections of Men's Union officers. The paramount purpose of the board is to take charge of the Homecoming Float Parade, the refreshments for the Men's Rodeo, and to encourage the students to take advantage of the recreation and reading rooms in the Union.

This year's Homecoming parade was the largest and best in the history of the University. The parade, led by the University band, consisted of beautiful floats made by the various sororities, followed by unique floats built by the fraternities. Theta Upsilon was awarded first prize for the sororities, and Delta Sigma Pi for the fraternities. Tau Kappa Epsilon was awarded highest honor in the house decoration contest.

Following the opening exercises of the Men's Rodeo, outstanding men's function of the year, the members of the board distributed box lunches and drinks.

Row One—Charles Harper, Holmes K. Beckwith, George Evans, Robert Corace, Paul Allshouse.

Row Two—August Compton, Paul Burke, Paul Stephens, Charles Corby, George Hromyak.

Row Three—William Shea, Arthur Westerbeug, Winston Wiseman, John Holden, Dale English, Allen Bundy.

Inter-Fraternity Council

The Inter-Fraternity Council is composed of the presidents and Junior representatives of each fraternity on the campus. The purpose of the council is to bring about a co-operative spirit among the fraternities at Ohio University.

The officers of the organization are chosen on a rotation basis that is in accordance with their age on the campus. Only the fraternity presidents are eligible to hold office. Each year the president of the council represents Ohio University at a National Inter-Fraternity Conference in New York City.

One of the outstanding activities of the council this year was the pledge exchange conducted each Wednesday. The purpose of this exchange was to bring about a better acquaintanceship between the pledges of the different fraternities.

At present the council is working on a plan of co-operative buying for the fraternities of the campus.

In the spring of 1931 a conference composed of national officers of several prominent fraternities, together with all the men on the campus thus affiliated, was held for two days. Another such conference is being planned for October. The conference is being held in the fall rather than in the spring so that a greater interest might be created among new pledges.

Panhellenic Council

The Panhellenic Council of Ohio University was organized in 1908; its chief functions are to serve as a clearing house for all panhellenic problems; to develop and maintain social standards worthy of college women, and to promote in every possible way high scholastic achievements. This latter aim has been partially realized the past year in that the average scholarship of the sororities was higher than the school average.

Panhellenic made a successful experiment with new rushing regulations. Two of the outstanding social events of the year sponsored by the Panhellenic Council were the Panhellenic Formal on October 23, and the Annual Scholarship Awards Banquet on April 11. The guest speaker was Dr. Helen White of the University of Wisconsin.

The officers of the council were: President, Ruth Otto; vice president, Mary Melcher; secretary-treasurer, Sara Henderson.

Social Activities Advisory Board

The task of the Social Activities Advisory Board is to arrange for all the men's social functions during the school year. Outstanding among the events held under the supervision of this group were the Freshman Mixer, the Freshman Smoker, the Fall Registration Hop, and the Men's Rodeo.

The Freshman Mixer was held early in the first week of the fall semester. The purpose was to give all Freshmen a chance to meet one another in an informal manner.

The Freshman Smoker was held the night following the Freshman Mixer. The purpose of this meeting was to create a feeling of friendliness among the men, to present a bird's-eye view of college life, and to introduce leading faculty members.

The Registration Hop was held the first Wednesday of the fall semester and was the first social event of the year. An added attraction presented this year was that the music was furnished by two orchestras instead of the usual one.

The greatest affair in the spring for the men was the Men's Rodeo. The board arranged an interesting program, consisting of boxing, wrestling, fencing, tumbling, specialties, and talks.

Women's League

One hundred per cent membership of the women on Ohio University's campus is guaranteed to the Women's League each year. Every woman, upon registering, automatically becomes a member, and the University pays a certain percentage of her registration fee into the league treasury.

Administered by five officers and an advisory board composed of a representative from each dormitory, cottage, sorority house, and large housing unit on the campus, the league establishes contact with over half the women of Ohio University. Following the custom of city service clubs, the league met at a luncheon session once each month during the past year to conduct its affairs.

Among the events sponsored by the league during the past year were: Mothers' Week-end, the Senior Sponsor Committee for aiding Freshmen, the mid-semester Registration Hop, a contribution to the women's college in Constantinople, clothes collection to aid the Community Clothing Center, conducting the All-Sorority Sing, and the Lantern parade on Senior Day.

Row Two—Madge Campbell, Martha Kaiser, Martha Frederick, Madeline Martin, Lillian Kittle, Marcella Horn.

Young Women's Christian Association Cabinet

The Y. W. C. A., founded in 1897, is the oldest organization for women on the campus of Ohio University. The projects which this organization sponsors are varied and far-reaching, chief among which is Saturday and Sunday work in the various mining towns situated near Athens.

For the past three years, the Y. W. C. A. has sponsored a series of four discussion groups, led by faculty women and faculty wives, which hold much interest for women students. As a new project for 1932, the organization began "Literary Discussion Meetings" at which outstanding novels, dramas, poems, etc., were discussed by prominent faculty members. In addition, the Y. W. C. A. sponsors the "Prep Follies", a Christmas Carol Service, a Palm Sunday Vesper Service, a Geneva Hike, a Recognition Service for new members and a Girl Reserve organization at the Children's Home; has a Gift Shop in West Wing; and brought to the campus Mrs. Jacqueline Embry, poetess, for Mothers' Week-end.

Row One—Dr. Edith A. Wray (Advisor), Rosalind Fouts, Alwilda Fenton, Mabel Wilson.

Row Two—Janet Bing, Delia Dorsey, Esma Smith, Ruth Stackel.

Young Women's Christian Association Sub-Cabinet

The Sub-Cabinet of the Y. W. C. A. is a junior cabinet, elected by cabinet members and composed of Freshman and Sophomore women. The principal duty of the sub-cabinet members is to aid the cabinet members in the projects which they undertake. Each cabinet member has a representative in the sub-cabinet.

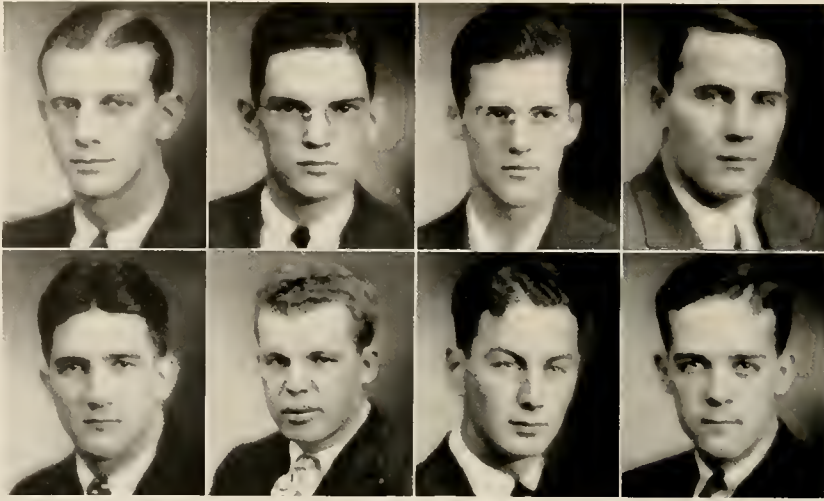

The most outstanding phase of the sub-cabinet work is the Christmas program. Early in the fall the group works on scrap books which they send to children in North Africa. The decorations for the poor children's party are made by sub-cabinet members. At Easter the sub-cabinet members color eggs to take to the Athens County Children's Home, where they hold an egg rolling frolic.

The sub-cabinet proves to be an excellent training school for future cabinet members. The vice president of the Y. W. C. A. automatically becomes chairman of the sub-cabinet.

Torch

Torch, men's Senior honorary activities society, has been on the Ohio University campus for nineteen years.

In the spring of 1913, the need for such an organization was conceived by Professor Mackinnon Torch, since that time, has enjoyed success under his guidance as faculty advisor.

Torch, being in itself the goal for which all Ohio University men strive, has for its purpose the honoring of those Senior men who have been most outstanding in extra-curricular activities; and who have proved to others their qualities of leadership and campus citizenship. These men, during this time, must maintain a scholastic average of "C" or better.

The traditional "Torch Taps" are now held in the Memorial Auditorium on Senior Day, in the spring, and on Scholarship Day in the fall.

The officers for the year 1932 are: Robert Corace, president; William Martindill, secretary-treasurer.

Row One—Lucille Cutler, Catherine Wary, Alberta Kimerline, Marcella Horn.

Row Two—Lillian Kittle, Marian Morris, Myrtle Horlacher, Helen McLaughlin, Nettie Tarasuck.

Cresset

Cresset, Senior women's honorary organization, is ending its nineteenth year at Ohio University. In 1913, Miss Elizabeth Bohlen and a group of young women, feeling the need for an honorary society, organized Cresset to recognize women of outstanding ability in scholarship and activities. Two years later Dean Voigt was elected faculty advisor and has since continued in that capacity. Cresset selections have always been on a strictly democratic basis, although no concessions have been made for scholarship. The requirements for membership are three: active participation and leadership in several campus activities, unusual personality, and a scholastic average of "B".

Cresset Calls are made in convocation in the spring of each year when outstanding Junior women are selected for membership, and in the fall Senior women are honored.

Cresset has, by its own choice, remained a local organization. It is unwilling to lower its standards to those of a national society. Cresset is the highest honor for women on the campus.

The president, Lucille Cutler, and the secretary-treasurer, Catherine Wary, comprise the executive board.

Dr. A. B. Sias, Dr. G. T. Wilkinson, Professor Raymer McQuiston, Miss C. E. LaTourrette.

Phi Beta Kappa

Phi Beta Kappa, the oldest and most distinguished of American college fraternities, was established at the College of William and Mary in 1776. The Lambda Chapter of Ohio was installed at Ohio University in 1929. The primary purpose of Phi Beta Kappa is to honor scholarship, and election to the fraternity has long been considered the highest distinction to which a college student may aspire.

Phoenix

Phoenix, a society for Senior women, has as its purpose the recognition of leadership in campus activities. In December, 1930, a group of six Ohio University women desiring to embody this aim in an organization founded Phoenix, which was recognized by the Campus Affairs Committee in January, 1931. Miss Greta Lash acts as advisor for the group.

Selection of new members is made each spring from second semester Junior women who have a scholastic standing of "C", and who are eligible according to a point system which evaluates the importance of their activities.

Phoenix seeks not only to recognize the girl who has become a leader on the campus, but also to encourage unselfish interest and participation in the various activities as well as the development of an all-around type of girl.

The officers for the past year were: President, Ethel Roderick; vice president, Kathleen Conaway; secretary, Alberta Kimerline; treasurer, Jane Mooney; historian, Dorothy Jefferson.

Alpha Kappa Delta

Alpha Kappa Delta, national honorary sociological fraternity, was founded at the University of Southern California in 1919. Under the leadership of Dr. Isaac E. Ash, Beta Chapter was installed at Ohio University in May, 1926.

The purpose of the organization is three-fold: to sponsor high scholarship in sociological studies, to stimulate the students in the study of social phenomena, and to instill a desire to improve social welfare.

At the meetings, which are held each month, the students either participate in discussions of sociological subjects or are addressed by prominent sociologists. This type of meeting affords the students both the opportunity for self-expression and for becoming acquainted with some contemporary views and opinions of eminent sociologists.

To be eligible for membership, the student must be a major in sociology and must maintain a "B" average.

The advisors of the club are: Dr. Isaac E. Ash; Professor H. J. Jeddelloh; and Dr. S. H. Bing, of the Department of Sociology.

Blue Key

Blue Key, men's national Junior and Senior honorary fraternity, was organized at the University of Florida, at Gainesville, Florida, November 27, 1924.

The Ohio University chapter of Blue Key was established in 1927. Professor R. F. Beckert is now faculty advisor.

Blue Key recognizes outstanding qualities in student activities, leadership, scholarship, character, and service. To be eligible for Blue Key a man must be engaged in at least two major activities, and must have maintained a scholastic average of "C" or better. Each social fraternity is allowed two members.

The fraternity, co-operating with the faculty, studies student problems, stimulates progress, and promotes the interests of the institutions where it has chapters. It forms a connecting link between the faculty and the students, and it tends to stabilize college life.

The officers for the present year are: William Martindill, president; John Trace, vice president; John Alden, secretary; and Stuart Kleiger, treasurer.

Row One—Harry Waddell, Rexford Baxter, Charles Reamer, Paul Allshouse, Leenard Sadosky, William Shea.

"J" Club

Feeling a need on the Ohio University campus for an organization of Greek letter men who would forget their own fraternity and place comradeship, friendship, and a desire to help the University in every possible way above the interests of their narrow plane, a small group of Juniors formed the "J" Club. The first meeting took place in the Men's Union, on March 11, 1930. Campus recognition came soon afterward.

It was decided to limit the size of the club to eleven of the most outstanding Junior men chosen each year. No more than one man was to be chosen from the same fraternity unless by unanimous choice of the members. Activities of the members were to be varied, covering several fields of endeavor.

Officers of the organization are: President, Harry Waddell; vice president, Rexford Baxter; secretary-treasurer, Charles Reamer.

Row One—Harry Brown, Robert Whittier, Leo Potts, William Shea.

Row Two—Howard Wendell, Maurice Kline, John Holden, Paul Allshouse, William Cherrington.

Phi Delta Gamma

Phi Delta Gamma, national professional forensic fraternity, was founded at the University of Iowa in 1924.

It was installed on the Ohio University campus in October, 1925, by Russell Tubaugh, Claire Hughley, Loren Statts, and Norres Murphy, where its growth was rapid. Its purpose is to develop and maintain greater interest in forensic work and to give recognition for collegiate forensic activities

At the present time the organization is interested mainly in debate, although dramatics and oratory hold important places. A majority of the members have been participants of the Ohio University debate team; and some also take part in the annual oratorical contests.

The organization sponsors an intramural debate program and yearly presents a cup to the winning fraternity.

Members of the fraternity who are outstanding in this activity are presented with a Phi Delta Gamma key.

Kappa Delta Pi

Omega Chapter of Kappa Delta Pi was established at Ohio University, August 7, 1923, with an initial membership of twelve. The present membership of Omega Chapter is three hundred and sixteen.

Kappa Delta Pi is an honor society in education. Its requirements are high scholastically and professionally, demanding of its candidates for membership the intention of entering the teaching profession. Members are eligible from both the College of Education and the College of Arts provided the professional requirements are met.

The officers for the current year are: Vivian Spurgeon, president; Catherine Wary, vice president; Dean Irma E. Voigt, secretary-treasurer; Miss Helen Reynolds, historian-reporter; Dean T. C. McCracken, counselor.

A unique feature of Kappa Delta Pi is that it has a Laureate Chapter, in which membership is international.

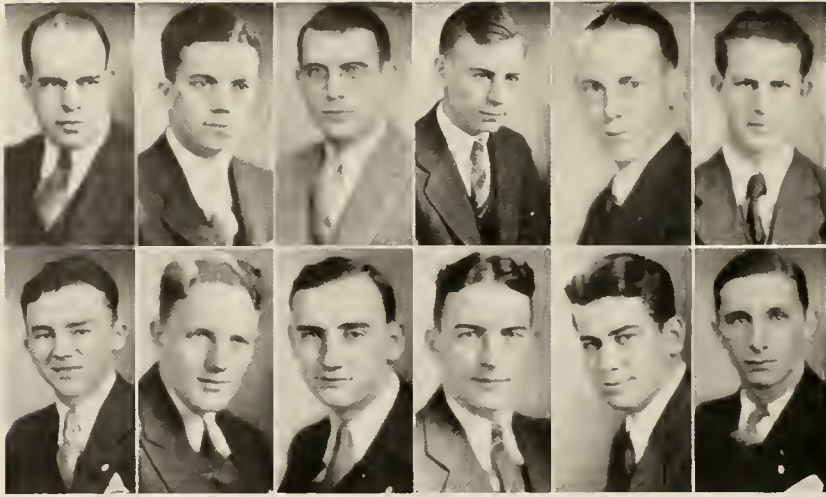

Row One—Lillian Aitken, Nellie Towles, Emily Pafenbach, Leah Tyson, Louise Ralph.
 Row Two—Ethel Roderick, Esther Kimball, Betty MacIntyre, Marie Grim, Betty Greene.
 Row Three—Geneva Kackley, Edna Foster, Justine Krejci, Lorraine Smith, Maudelyne Coleman.

Phi Delta Pi

Students of physical education showing exceptional ability in this field and having a high scholastic average comprise the membership of Phi Delta Pi. Its officers, at present, are: Lillian Aitken, president; Louis Ralph, vice president and social chairman; Nellie Towles, corresponding secretary; Esther Kimball, recording secretary; Ethel Roderick, treasurer; and Betty MacIntyre, sergeant-at-arms.

Phi Delta Pi promotes the many and varied phases of physical education. Lambda Chapter has interested itself in the conducting of play-days, while the national organization carries on such projects as the conducting camp for underprivileged children, and the providing of scholarships for graduates who desire to take courses in physical education toward higher degrees.

The group is advised by Miss Harriet Rogers, of the faculty; and Mrs. Ralph Beckert, a graduate of the University of Cincinnati. Mrs. Beckert was first national president of Phi Delta Pi.

Pi Epsilon Mu

Pi Epsilon Mu, honorary engineering fraternity, was first established here in 1922 as an honorary fraternity for electrical engineering students. In 1925 it was opened to civil engineering students.

Selection for membership in Pi Epsilon Mu is considered the highest engineering honor attainable in campus activities. Only Sophomore, Junior, and Senior engineering students whose grades are above the average are considered. Between 1926 and 1929, men holding membership in social fraternities on the campus were ineligible for Pi Epsilon Mu. Following a three-year period of comparative inactivity, Pi Epsilon Mu drew up a new ruling in order to admit outstanding engineering students irrespective of their other fraternal affiliations.

Meetings are held on the first and third Tuesdays of the month. Original papers are read concerning related subjects that are of interest to the members. Well-known engineers frequently address the group.

Eta Sigma Phi

Eta Sigma Phi, a national honorary fraternity for outstanding classical students, was founded at the University of Chicago in 1924. Gamma Chapter was installed on the campus of Ohio University the same year. Since that time the organization has grown rapidly, and now includes forty chapters.

A meeting is held each month at which time programs of various kinds are presented. Eta Sigma Phi maintains a close relationship with the high schools of the state, and more extensive plans are being made in this direction. It is the custom of the chapter to offer a medal for the highest average in Latin to a student in any high school from which a Senior of the fraternity has been graduated. This year Gamma Chapter has made an attempt to further the relationship among the Ohio chapters by entertaining members from Miami, Denison, and Cincinnati at a joint meeting.

The faculty advisor of the organization is Professor V. D. Hill. Other faculty members are Professor Harry F. Scott and Miss Mary K. Brokaw.

Row Two—Margaret Davis, Viola Fritz, Eleanor Hurby, Helen McLaughlin, Freda Stone, Ruth Stone, Delphine Whaling.

Phi Upsilon Omicron

Theta Chapter of Phi Upsilon Omicron, an organization for women, was organized at Ohio University in 1921.

The purpose of the organization is to advance the interest in home economics, encourage high scholarship, and establish and promote intellectual development.

Each year a scholarship cup is given to the Sophomore who is a major in the field, and who has made the highest grades in her first three semesters. Last year a scholarship fund was established and made available to Senior members of the Home Economics Department.

The chapter also sponsors a class for girls at the Children's Home who are interested in foods and clothing.

The officers for this year are: President, Maxine Beckley; vice president, Madeline Martin; recording secretary, Elsie Bogue; corresponding secretary, Eloise Quinby; treasurer, Evelyn Hanley.

Row One—Armand W. Lehman, Lawrence A. Flinn, Oscar K. Rogers, Robert C. Randolph.

Row Two—William Nyerges, David W. Jones, Louis J. Lego, Newell C. Harvey.

Alpha Delta Sigma

Daniel Starch Chapter of Alpha Delta Sigma was installed October 28, 1928. The purpose of this group is to foster a greater interest and a closer association among those students who plan to make advertising their vocation. The activity program is composed of bi-monthly lectures given by various authorities in the field of advertising.

The national organization was founded in 1913 by journalistic students of the University of Missouri. Alpha Delta Sigma has developed until it is now considered the strongest student organization in its field.

Row One—Jane Mooney, Elizabeth Brunner, Helen Louise Cline, Mildred Shor, Marjorie Sonner.

Sigma Phi Mu

Sigma Phi Mu was organized with the purpose of benefiting the women students in the School of Commerce of Ohio University, by bringing them into closer association with each other, and with business women. It was first organized in March, 1927, as Ohio University Girls' Commerce Club.

To be eligible for Sigma Phi Mu a girl must be either an advanced Freshman, Sophomore, Junior or Senior, who is working toward a degree of A.B. in Commerce, B.S. in Education, or a B.S. in Secretarial Science. A "C" average must be maintained to be eligible for membership.

Sigma Phi Mu offers annually a prize to the Sophomore girl who has made the highest scholastic average in the first two years of work in the University, provided that forty per cent of her subjects have been in commerce and economics. The award is made at the beginning of each school year.

Athena Editorial

Ohio University's year book, the 1932 Athena, is an accurate picture of the student life on the campus. The brighter high-lights as well as the more serious side of collegiate life make up the context of the book. It is obviously impossible to include everything, but the Athena has attempted to gather an interesting cross-section that will in years to come bring its very many pleasant memories of undergraduate days.

In spite of the many difficulties and setbacks they received, such as the struggle to persuade the modest students to have their pictures taken, the staff has forged ahead in the attempt to make this volume one of the best that has ever been published.

To the many students who have willingly contributed their time and efforts to make the 1932 Athena a real achievement the editors give their heartiest appreciation.

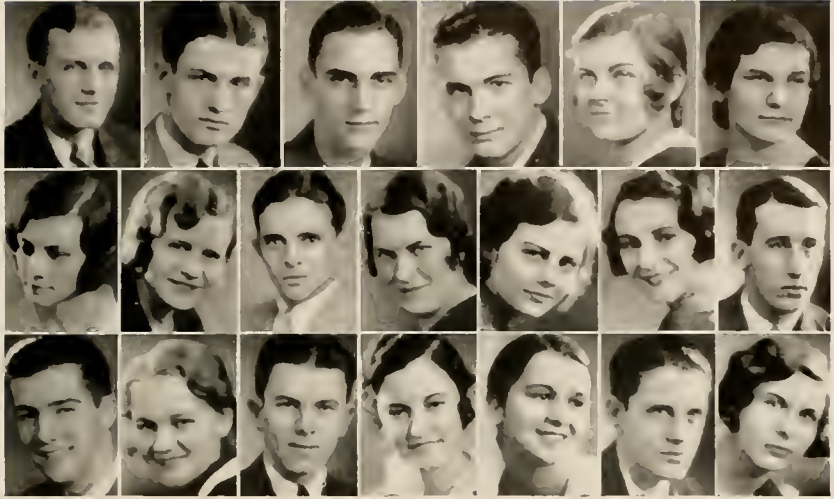

The final judgment of this volume will necessarily come from the student body, and their reception of it will be the reward of the staff.

The Athena is the representative of Ohio University, and its success is a student responsibility. Even as the 1932 Athena is published, planning begins for next year's edition. Come out and help the editors make this publication even more representative of Ohio University.

1932 Athena Business Staff

The task which the business staff faced at the beginning of this year was enough to make the stoutest hearts beat with fear and trembling. In a year when the favorite topic of conversation was Depression, it really took genuine ability to convince merchants that their business would be greatly benefited by admiring the Athena.

But in spite of all the obstacles they had to overcome, the 1932 Athena business staff has done its work just as efficiently and well as in the preceding years.

The great amount of work involved in editing and publishing a year book is not appreciated by the students who are not on the staff and the editors had as much difficulty in getting the support of the campus as they did in the other phases of their work.

Rex Baxter and his assistants deserve much credit for their painstaking work on the business details of publication. The 1932 business staff have proved by their great successes that hard work will overcome most difficulties, and they leave behind them a host of good examples that should provide the oncoming staff with many inspirations.

Green and White Editorial

Under the leadership of Charles Densmore, the Green and White continued to maintain the high standard of excellence that last year won for it a tie for first place in the National College Press Association contest.

One of the special features of the paper this year was the edition honoring the anniversary of the paper's founding. A resume of all the high-lights of the paper for the last twenty years was outstanding in this issue, along with pictures of various campus buildings and present faculty members.

Great improvement was shown in the handling of editorials and on numerous occasions Green and White editorials were reprinted by other college papers.

Green and White Business

The same old story of hard luck and the depression dogged the footsteps of Business Manager Elden Hauck and his assistants, but due to lots of perseverance and pluck they managed to provide the editorial staff with enough where-with-all to publish a fine newspaper. Robert Randolph, advertising manager, had charge of all local advertising. He was assisted by Elmer Snoderley, Philip Rhoten, William Nyerges, David W. Jones, Nelson Risher, George Evans, and Clair Parkin. These men took charge of all the soliciting and collecting, and it is to their credit that the publication was able to operate on such a stable basis.

John Alden was the circulation manager. He was assisted by John Boden, Ted Hunter, Claude Smith, and Fred Blickle. The work of this department made it possible for everyone to receive his paper.

The Green and White had the honor of being the only college publication to tie up with Eddie Cantor's "Palmy Days".

Two full pages of advertising were run announcing that "Cantor and better days were here again."

1932 Green Goat Editorial Staff

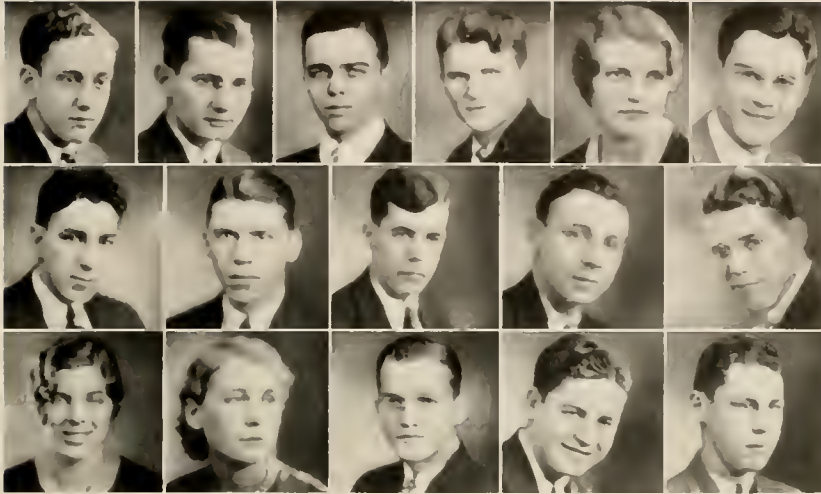

Ohio University's fun magazine, the Green Goat, under the capable guidance of Editor Eleanor Hazeltine and her assistants, was a very well behaved animal this year. The staff initiated a change in policy in an attempt to make the "Goat" a magazine of clean, wholesome fun.

Some of the most outstanding issues were the "Celebrity", "Junior Prom", and the "Iconoclast" editions. In the first, many "would-be" campus celebrities were taken for the well-known joy ride, but no one was injured as it was all in fun. The "Junior Prom" edition was full of suggestions as to what the well-dressed prom-goer would wear. Also some ideal prom couples were suggested, but much to everyone's surprise they did not materialize. The "Iconoclast" issue brought smiles to many and tears to few, but a few students were observed to be weeping over their fallen idols.

The 1932 Green Goat was a publication of which to be proud and many congratulations and much praise are due those who are responsible for its publication. The "Goat" is one of the most amusing parts of campus life, and the reception accorded to it by the student body is proof enough that it will continue to delight its readers.

1932 Green Goat Business Staff

Much of the success of the 1932 Green Goat was due to the capable administration of its business staff. Under the guidance of Business Manager Robert Corace, the Goat has completed another year as one of the features of campus life.

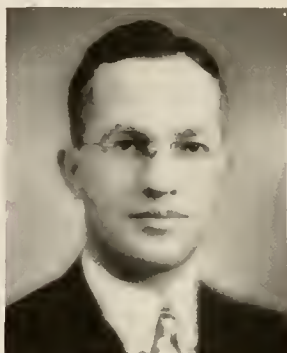

Sorority girls rose at the crack of dawn to patrol the campus with their Green Goats. Competition for the two cups offered as prizes for the group selling the most was very keen. However, at the beginning of the second semester, the staff decided on a new method of circulation and the girls could stay home and sleep an hour longer. No more were the plaintive cries of the co-eds heard on the campus, urging everyone to buy the "Goat". Young men took over the responsibility of circulating the magazine.

Although the Goat was sometimes in rather embarrassing situations due to the present economic depression, the keepers hustled around to find fodder enough to keep the animal well and satisfied. Peace and contentment reign over the stables of the Green Goat, and next year the Goat will again run over the campus, bringing joy and mirth with it.

Ohio Alumnus

Clark E. Williams

What the Green and White is to Ohio University students, the Ohio Alumnus is to graduates. Published monthly under the editorship of Clark E. Williams, alumni secretary, the magazine is a reflection both of interesting campus activities and of the doings of Ohio University alumni. Copies of the Alumnus are sent to almost every state in the country, enabling Ohio University graduates to maintain a close touch with the campus and with their former classmates.

New life was given the Ohio Alumnus this year by a change in form and type style. Formerly seven by ten inches in size, it has grown to dimensions of nine by twelve inches, and resembles much more the appearance of popular monthly periodicals. The magazine is copiously illustrated with pictures of campus scenes and notables as well as prominent alumni.

Mr. Williams maintains correspondence with countless alumni and records in his magazine the births, deaths, marriages, and honors concerning graduates of almost every class of the last forty years.

A new duty was added to the alumni secretary this year when Lehman Faris, former publicity director, left the staff of Ohio University. Under the direction of Mr. Williams, the work of the News Bureau has been carried on. This agency supplies papers all over the country with interesting stories of social, scholastic, and athletic news of Ohio University. Pictures of campus personages are supplied to city papers and news services such as the Associated Press and United Press. The News Bureau also covers athletic contests for these agencies.

Playshop

Through the varied programs presented by Playshop the theater-goer has had a most delightful year.

"The Camel Through the Needle's Eye" was the first play staged this year; it was soon followed by "The Last Mile". "Uncle Tom's Cabin" was enjoyed by all who witnessed it. Playshop is presenting for the Commencement Play "Berkley Square".

One of the outstanding productions was a one-act play, "Sintrom of Skagerrack", presented by the head of the Dramatic Department, Harold Evans, and a Senior majoring in dramatics, Mildred Finnicum.

Men's Varsity Debate

More display of interest and enthusiasm has been shown this year in Ohio University forensics than ever before. More students from more fields were prospective members to help their school defend her title in one of the largest and most difficult schedules ever undertaken by the Public Speaking Department at Ohio University.

Under the direction of Professor William H. Cooper, head of the Department of Public Speaking, and his assistant, Lorin C. Staats, a number of excellent teams were developed with which to carry on an enlightening and educative discussion of the question. Two questions were debated this year: "Resolved: That private ownership and control of the means of production and distribution are preferable to collective ownership and control", and the other question was "Resolved: That capitalism as an economic organization is unsound".

Men's Varsity Debate

More teams were met on the forensic platform than ever before: Ohio Wesleyan, Dennison, University of Dayton, Toledo, Cincinnati, Miami, Muskingum, Ohio Northern, and Akron.

A great honor was bestowed upon the debaters in defending their question with Rollins College from Florida. These teams met in Fine Arts Auditorium, the keen mind of each debater working and striving to outwit the other man in rebuttal.

It is with regret that Ohio University sees the debate season close. This will mean the absence of several Senior members of the squad, who have worked so hard to uphold the forensic standing of their Alma Mater.

Women's Forensic Association

The Women's Forensic Association was given recognition by the Campus Affairs Committee in March, 1931.

The growth of the Women's Forensic Association was rapid and it soon held an important place on the campus because of the prominence of its members wherever they appeared.

The purpose of this organization is to "foster and promote the interests of intercollegiate debate, intercollegiate oratory, intermural debate and intermural oratory on the campus, and all forms of forensic activities for the women of Ohio University".

At the present time the organization is interested mainly in intercollegiate debate and oratory. The majority of the members have participated in intercollegiate debates composing the teams of Ohio University.

Dual debates have been held this year with Cincinnati, Miami, Denison, Kent State Normal, Ohio Northern and Capital universities.

Professor Lorin C. Staats is the faculty advisor, and also coach of debate and oratory.

Men's Glee Club

Membership in the Men's Glee Club is considered an honor, as there is keen and spirited competition among the singers on the campus for membership. The members are selected in competitive try-outs, and the group includes most of the best voices on the campus. Under the direction of Dr. Robinson, the group has developed into an assembly of voices that are well known for their fineness of interpretation and their excellent presentation. Their activities are not limited to the campus, and the group has travelled to several nearby towns where they were received with great appreciation and enthusiasm.

Contrary to the custom of only presenting the Glee Club at the convocation meetings, a concert at Memorial Auditorium was given. This was the outstanding performance of the ensemble this year. Increased student interest in the presentations of the Glee Club forms ample proof that they have improved immensely over that of the previous years.

The officers are: President, Robert Powell; vice president, Robert Randolph; business manager, George Evans.

Women's Glee Club

The Women's Glee Club is one of the most outstanding organizations for women on the campus. Increased activity has marked the group this year.

Early in February, the club presented a recital. The entire ensemble participated in the first part of the program, which consisted of songs illustrating the varied and remarkable repertoire of the group and its ability to present selections of difficulty in a finished manner. The second half was several scenes from famous operas. Picked voices sang the leading roles with the club furnishing the background.

Members of the Glee Club are selected through try-outs in which all points of voice culture are considered. The club forms one of the major activities for the music majors and competition runs high.

The officers of the club are: President, Thelma Thomas; secretary, Mildred Dennison; business manager, Alene Wills; librarian, Alberta Rudd; accompanist, Helen Schaffer.

Ohio University Band

Adding to an already brilliant reputation, the Ohio University Band marched through another successful season under the capable direction of Professor Curtis W. Janssen. A new and beautiful arrangement of the Alma Mater was one of the most inspiring and impressive achievements of this group.

Following their custom of electing a band sponsor from a representative group of women students, the musicians this year chose Marian Ziegler to lead them in their sallies on the gridiron.

The excellence of the band has contributed greatly toward the reputation of Ohio University as a great institution. School spirit has been greatly swelled by the organization's appearance at football games, and this group deserves great credit for its loyalty and co-operation.

Ohio University Orchestra

The Ohio University Orchestra is an organization of seventy-five instruments, the greatest variety ever to be assembled on the campus. Both the students and the faculty are eligible to membership. Its repertoire includes the best of the classical and modern orchestrations.

Like the other musical organizations on the campus, the orchestra does not limit itself to local appearances. During the past year, it made several trips to nearby towns, where it was received with appreciation and enthusiasm.

Its appearances on the campus this year were characterized by new and intricate arrangements that met instantaneous approval with the audiences.

Professor DeForest Ingerham is director of the orchestra, and Bennett Shimp is concert master.

Row One—Eleanor Bush, Kathleen Conaway, Lucille Cutler, Beatrice Hixson.

Row Two—Marcella Horn, Kathryn Kern, Alberta Kimerline, Louise Lorentz, Marion Morris.

Sigma Alpha Iota

Sigma Alpha Iota, national social and honorary musical fraternity, was founded at the University of Michigan, Ann Arbor, Michigan, in 1903, for the purpose of furthering professional musical activities.

Sigma Beta Chapter of Sigma Alpha Iota was established at Ohio University in 1924, and since then it has been one of the most active professional organizations on the campus.

Prospective members are considered from the standpoints of scholarship, talent, and ability in both practical and theoretical music.

The national organization requires all chapters to present an informal musicale each month. These programs must be representative of all types of classical music.

Sigma Alpha Iota sponsors Pan's Cottage in the MacDowell colony at Peterboro, New Hampshire. Every year each chapter gives a MacDowell Tea to contribute to the support of Pan's Cottage. This colony is a home for creative artists where they may work unhindered by the city.

On May 14, Sigma Alpha Iota held their annual formal dance at the Men's Union. This event was the reunion for all members of the sorority. Many members of the faculty were guests of the local chapter. Music was furnished by the "Travelers".

The Ohio University Choir

The Ohio University Choir, under the direction of Dr. Robinson, is one of the most outstanding of the musical organizations on the campus.

Members are selected through competitive try-outs, which gives to the ensemble the best voices obtainable on the campus. The choir is the only organization in the College of Music which employs mixed voices

The growth of the choir has been rapid, and as the interest has increased a marked improvement has been made in presentation and execution. Its reputation has grown apace with its improvement, and it is now recognized as one of the most outstanding musical groups on the campus.

The choir has been very active in giving concerts and in making several appearances during the year in convocation.

Gold keys were presented this year to those members whose service and excellence of performance merited them this reward.

Row One—Charles Gorby, Robert Smith, Charles Black, Lawrence Flinn, Gayford Hoffmaster.

Kappa Kappa Psi

On May 18, 1931, the Ohio University Band Club was granted a charter by Kappa Kappa Psi, national musical fraternity. At this time twenty-six students and three faculty members were taken into the Alpha Delta Chapter as charter members.

Kappa Kappa Psi is the only national musical fraternity limiting its membership to band men. Members are chosen who rank highest in character, musical ability and scholarship in schools where chapters are maintained. The Alpha Delta Chapter at Ohio University is very outstanding and active.

The officers of Kappa Kappa Psi are: Charles H. Gorby, president, Robert Smith, vice president; Charles E. Black, secretary, and Lawrence Flinn, treasurer.

Booklover's Club

The Booklover's Club, founded in 1918, was organized for the purpose of promoting the study and appreciation of good literature. Dr. Wilson, of the College of Education, is sponsor and faculty advisor of the club.

Membership is limited to fifteen students enrolled in the College of Education. In election, preference is shown for those who have previously taken courses dealing with literature.

Meetings are held the first Monday in each month during the regular school year. Discussion of present-day magazine literature and the works of contemporary American and English authors is one of the outstanding parts of the club's program.

Individual opinions are encouraged, since the members feel that more can be gained through informal discussion than through formal presentation.

The officers of the club are: President, Merrill Davis; vice president, Joe Cohen; secretary-treasurer, Nelson Brown.

Kappa Phi

Phi Chapter of Kappa Phi was installed at Ohio University four years ago. It was formerly Philonia, a Methodist girls' club, and became a part of the national organization with the help of Mrs. Irene Park Jones. It is open to any girl of Methodist preference who is interested in its work.

Kappa Phi sponsors both religious and social programs in conjunction with the Wesley Foundation. Each of its members is expected to take an active part in some phase of its activities.

The officers of Kappa Phi this year are: President, Myrtle Horlacher; vice president, Ruth Stone; treasurer, Joanna Horst; corresponding secretary, Madeline Martin.

Dean E. W. Chubb

English Club

The Ohio University English Club, one of the oldest departmental clubs, was founded for the purpose of discerning literary talent on the campus. Membership is limited to students especially proficient in English. Original material by the members is read and discussed at each monthly meeting.

Commerce Club

The Commerce Club is open to all students registered in the School of Commerce. It was organized in 1923 in order to bring about a closer association of students in the Commerce Department. Popularity of this organization is proven by its enrollment, which numbers well over three hundred

Members of the faculty and prominent business men speak at the meetings, which are held the last Tuesday in each month during the school year. In this way members have a chance to come in contact with persons actually engaged in the commercial field.

Many interesting addresses were given this year, dealing with different phases of the commercial world, and including a talk on the present economic condition of Soviet Russia.

Faculty members of the club are: Miss Helen Reynolds, Professor Westbrook, Professor Hansen, Professor Beckert, Professor Fenzell, Professor E. E. Ray, Professor Peters, Professor C. M. Copeland.

The officers of the Commerce Club during the year were: President, Allen Bundy; vice president, Joe Milner; treasurer, Lawrence Flinn; secretary, Evelyn Porter.

American Institute of Electrical Engineers

The American Institute of Electrical Engineers, a national electrical engineering fraternity, was founded in 1884, with the chief purpose of fostering the advancement of electrical engineering and those acts, sciences, and studies that are conjunctive therewith. Through such an organization the development of the individual engineer and the maintenance of a high professional standing among the members can best be effected.

A chapter of the organization was founded at Ohio University in order that the students might be given the benefit of the research carried on by the organization, and that interest in the profession might be stimulated and maintained. The national organization, which is composed of the outstanding figures in the field, offers membership to those graduates holding the degree of Bachelor of Science in Electrical Engineering.

Meetings of the local group are held at regular intervals. These are characterized by discussions, lectures, and readings of papers on subjects related to the profession. The group is largely responsible for the bringing of scientific motion pictures to the campus.

Kindergarten-Primary Club

The Kindergarten-Primary Club, open to all Ohio University women enrolled in the Kindergarten-Primary Department of the College of Education, was first organized in 1910, with eleven members. In the years since its organization, membership has increased yearly until this year it numbers over one hundred and fifty.

The meetings, which vary in form from purely social to strictly educational, are held the second Tuesday of each month during the school year. The programs consist of informal discussions or addresses by members of the faculty.

The Kindergarten Club has been very helpful to students in this field by bringing them closer together and giving them a better knowledge and understanding of the work in which they are specializing.

The officers of the club for the past year were: President, Virginia Larimer; vice president, Betty Williams; secretary, Julia Scovill; treasurer, Marguerite Austin.

Public School Music Club

The Public School Music Club was founded at Ohio University in 1921. It offers an opportunity for anyone who is in the Music Department or interested in music to keep in touch with current musical events and with the excellent work of our own Music Department.

Meetings are held once each month. At these times, after the necessary business discussions, programs are given, in which the members of the club participate. This is followed by a social hour. Once each year there is an open meeting, and one dance.

Officers for this year were: Alene Wills, president; Kathleen Conway, vice president; Beatrice Hixson, secretary; Mary Helen Lee, treasurer.

Row One—Iva Mae Young, Margaret Davis, Delphine Whaling, Eleanor Hruby, Maxine Beckley.

Row Two—Janet Bing, Zelma Butt, Mary Louise Carpenter, Dorothy Finley, Mildred Giesecke.

Row Three—Frances Dorothy Hale, Evelyn Louise Hanley, Edna Lucile Mann, Ruth E. Young, Margaret Young.

Home Economics Club

The Home Economics Club of Ohio University is a division of the National Association of Home Economics. After two years of inactivity, the club was reorganized in 1929. The purpose of the Home Economics Club is to provide an opportunity for all girls who are taking Home Economics to become better acquainted with the work they are planning to enter. Since the club is a national organization, it enables its members to keep abreast of all modern movements in their field.

The officers for the past year were: President, Iva Mae Young; vice president, Margaret Davis; secretary, Delphine Whaling; treasurer, Eleanor Hruby.

Because of the activity of these officers, the main object of the club has been realized. The members have been brought in contact with many prominent women who are working in the field of Home Economics. These women give them a practical understanding of what their work will require of them after they have completed their college studies. In this way they are also informed of the various fields of work which are before them after graduation.

Wesley Foundation Council

The Wesley Foundation Council is a body of Ohio University men and women which governs the Methodist student group and decides upon their activities. Everyone selected for the directing council is called upon to fill one office. It is the purpose of the organization to guide and bring more closely together Methodist and Methodist preference students.

Mrs. Saylor, an ex-officio member, is the advisor and student-worker.

There are at present twenty-eight members on the council, which meets every Sunday afternoon.

The council sponsors the Sunday School Class, the Home Hour, the Fellowship Supper, and Vesper Services, in which a lecture is given, followed by discussion.

The council also acts as sponsor for the orchestra, the Wesley Players, dramatic groups, and the student choir.

The officers of the club are: President, Wilson Underwood; vice president, Alice Ruth Donley; secretary, Harold Bigony; treasurer, Ralph Walker.

Row One—Harold Guthrie, Anna Rogers, Lillian Kittle, Margaret Myers.

Row Two—Sanford Kearns, Damon Kearns.

Bethany Council

Bethany Council is a religious and social organization whose aim is to bring more closely together the students and members of the Christian Church. The membership is composed of leaders among the Christian Church and Christian Church preference students.

The council sponsors the Sunday School and the Christian Endeavor Society. Arrangements are often made for able speakers to appear before the group and interpret and discuss Biblical and present day problems.

Every Sunday afternoon the Student Hour, for the purpose of recreation, is held at the church. Social contacts are further promoted by frequent parties during the year.

Officers for the year were: President, Harold Guthrie; vice president, Raymond Shrum; secretary and treasurer, Anna Rogers.

Row One—David Titus, Ruth Stackel, Ora Taylor, Albert Church, Helen McLaughlin, Madge Campbell.

Row Two—Nell Shannon, Morgan Jones, Charles Colombo, Dorothy Jefferson, Florence Smith, Elmer Jacobs, Mabel Wilson.

Westminister Fellowship Council

The Westminister Fellowship Council is the executive board which supervises the activities of the Westminister Foundation, Presbyterian student organization.

The foundation endeavors to bring about a closer relationship between the church and the University. It works co-operatively with other religious organizations on the campus, and has drawn quite a large membership by its varied activities.

The membership vesper communion, the Christmas candle-light service, and numerous get-together suppers and teas are some of the interesting and enjoyable activities in which the members participate.

The council is under the direction of Miss Ruby Hanky, student secretary, assisted by the Rev. A. Y. Wilcox.

The officers of the council are: President, David Titus; vice president, Ruth Stackel; vice president, Merrill Davis; secretary, Ora Taylor; treasurer, Albert Church.

Row One—Lillian Kittle, Laura Culler, Deloris Phelps, Mary Young, Helen R. Savage.

Row Two—Doris Giesecke, Dorothy Rogers, Ruth Young, Nettie Wallace, Elizabeth Shepard, Mildred Giesecke.

Kappa Beta

Kappa Beta is a national religious organization composed of Ohio University women of the Christian Church, or Christian Church preference, with the purpose of furthering friendly relationships by means of religious and social activities. The local organization, founded in 1928 as Kalai Kagathai, which means "Girls with Ideals", was granted membership into the national society in 1929 as Kappa Chapter.

Membership requires a "C" average and membership in or preference for the Church of Christ.

Religious and social meetings take place the first and third Tuesdays of each month. The Social Service Committee takes an important part in the activities.

Phi Tau Theta

Phi Tau Theta, an organization for men of Methodist preference, was installed on the Ohio University campus in May, 1931. Previous to its installation as a chapter of the national organization of Phi Tau Theta, the local group, founded in 1927, was known as Mu Sigma Mu. Mrs. E. D. Sayre was the first sponsor of the group, of which the Rev. Arlie Krussell later became advisor. At present it is under the direction of Dr. Coulter

The aim of Phi Tau Theta, derived from that of the Wesley Foundation, is to encourage a fraternal spirit among Ohio University men of Methodist preference. Although the fraternity is of a social-religious character, special interest and participation in church activities are encouraged. In addition to this, a "C" average is required for initiation. Membership in the fraternity at present is composed of thirty active members and twenty pledges.

The program of activity for the year includes assisting in the affiliated membership and the financial campaigns of the Wesley Foundation Council, conducting vesper services, presenting plays, and the sponsoring of social functions.

The officers for the past year were: President, Ralph R. Walker; vice president, Raymond Fuller; secretary, Warner Kloefer; treasurer, Edward Rosser.

Row One—Betty Sells, Sara Henderson, Dorothy Jefferson.

Row Two—Rurra Turri, Ethel Merry, Helen Stephens, Mary Kahler.

Folklore Club

The Folklore Club first made its appearance on the Ohio University campus in November, 1923. Its activities have been directed toward an appreciative study of the folklore of our own and other lands.

The aim of the club is the enlarging of the fund of general knowledge in the field of folklore and the cultivation of a deeper appreciation of literature.

Membership, not to exceed twenty-five, is composed of students of English and those who have indicated interest in this phase of literature.

The fine co-operation of the members, old and new, under the kindly direction of Miss Mary Kahler, points to a successful future for Folklore Club.

Officers for the past year were: Betty Sells, president; Lurene Brown, vice president; Helen Sheets, secretary; L'Atha Storms, treasurer.

Football

Following an undefeated year in 1930, Coach Don Peden began preparations early to get the gridgers in shape for the opener with Indiana. A large squad comprised of several veterans and a wealth of Sophomore material reported two weeks before the opening of school.

The Ohio football squad suffered its first defeat in twenty starts in the initial game on the 1931 campaign when Indiana University shaded the Bobcats, 7-6. The Peden men completely outplayed their Big Ten opponents in the opening half and threatened the Hoosier goal line on several occasions. Only the stubborn defense of the winners prevented an early score for the Ohio eleven.

Peden

Bird

Trautwein

With the opening of the second half the Indiana coach substituted a fresh backfield in an effort to strengthen the offense. The Western Conference team started a drive down the field but were halted at the ninety-yard line by the Ohio line. Here the Hoosiers called for a short pass and Lyons, end, counted the only touchdown for the winners. Edmonds kicked the extra point.

The Bobcats were within threatening distance of the goal line on several occasions. However, the Hoosier defense braced and held for downs.

Grover

Olson

Herbert

Trepp

In spite of the absence of strong reserve power the Green and White gridders fought hard and got their first break in the final quarter. Jones, Indiana back, attempted to punt. Hilbert rushed through and blocked the ball. The oval rolled over the goal line where Snyder fell on it for a touch-down. The Bobcat hopes for a tie were stopped when Gabriel missed the try for the seventh point.

Indiana sports writers credited the Ohio eleven as being one of the best coached teams to face the Big Ten squad during the season. At the conclusion of the schedule Chrisman was named on the all-opponents aggregation by the Indiana players. He was considered as the hardest driving lineman of any team facing the Hoosiers.

Chrisman

Gabriel

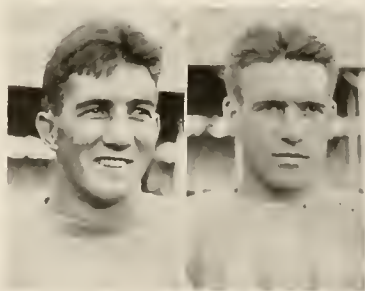

Peden's charges started a new winning streak on the home field the following week when they rode rough shod over the Butler squad, 40-0. The result was never in doubt with the Bobcat mentor using twenty-seven players in the contest. "Red" Gabriel scored the first Ohio touchdown on a 58-yard run two minutes after the opening whistle. Two by Corradini, one by Sintic, one by Robinette, and another by Gabriel constituted the Ohio touchdowns.

The Butler eleven was unable to get started. The Ohio linemen rushed the visitors in every play and the losers gathered only two first downs.

The Ohio football eleven began its quest for a third consecutive Buckeye Conference championship the following week as they trampled Denison on the Granville gridiron, 33-0. In spite of the fact that the Bobcats had easy going throughout the game, the Green and White offense failed to function to the highest degree. Kepler and Sadosky were unable to play due to facial injuries, but the other ball carriers came to life in the second half to run up a good score. Rex Burke, all-Ohio end, was hurt in the game and was forced out of action for the remainder of the season. Bob Willoughby was

Kepler

Esmont

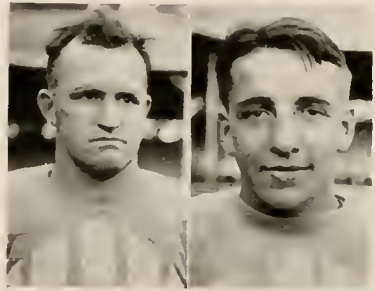

high scorer with a pair of touchdowns.

Getting off to a late start, the Bobcats triumphed over Simpson College of Iowa in the fourth game.

The Ohio attack was slow getting under way and the Green and White eleven only led 6-0 at the half. Gabriel scored the initial six-pointer on a pass from Kepler. A belated drive gave Ohio sixteen points in the final quarter and a 22-0 victory.

Touchdowns by Fehn and Gabriel, coupled with a safety by Richards of the visitors, gave the Bobcats the

Jeffery

Sintic

last points. The game was featured by the spectacular play of Fehn, Sophomore fullback. Richards, all-Western halfback of the Simpson team, was stopped repeatedly by the Ohio eleven.

Livingston

Blosser

University of Cincinnati rose to unexpected heights in Ohio's second league game and gave the Bobcats a real battle before they were subdued, 13-7. The game was played on a soggy field, which severely handicapped the Ohio running attack. The Bearcats used an aerial threat successfully throughout the game, in spite of the wet ball. Cincinnati

Brown

Sadosky

scored its first touchdown in the opening half on a long pass.

The Buckeye champions came back strong in the second half to chalk up the winning points. Sadosky climaxed a long drive down the field when he carried the ball over from the two-yard line.

The winning Bobcat score was the result of Kepler's 26-yard dash after he had taken a lateral pass from Gabriel. The champions improved as the game progressed and would have scored again had not the final whistle halted the play.

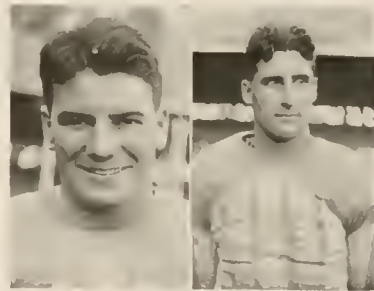

In spite of the closeness of the score and Cincinnati's early lead Ohio piled up twice as many first downs as the Bearcats.

The Home-coming tilt was played with Ohio's traditional rival, Ohio Wesleyan. The final score was 18-0 and the Bobcats were well on their way toward another league championship. The game was witnessed by a large Home-coming crowd and marked the best play of the Ohio team in the campaign.

The Peden men chalked up touchdowns in the second, third, and fourth quarters. Sadosky went through the line for twenty yards

Collins

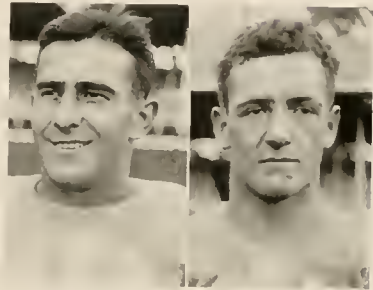

McCashen

for one six-pointer George Collins, all-Buckeye end, accounted for another when he grabbed a pass from Kepler and raced through a broken field for a score. Gabriel, one of the high scorers in the state, collected the third marker on the ancient Statue of Liberty play.

DePauw University proved easy for Peden's charges and Ohio returned from the final trip with a 27-0 win. The Bobcat offense functioned at top speed throughout the contest. The winners counted touchdowns in the first, second, and final quarters.

Corradini

Laskin

Ohio's superiority can be judged from the fact that the Green and White eleven collected seventeen first downs against seven for DePauw. Gabriel crossed the final mark twice, while Sadosky and Corradini moved the score on two other occasions.

Colvin

Willoughby

Kepler, Sintic, and Collins were highly praised by Indiana sports writers for their spectacular play in the game.

Wheaton, high scoring Tiger threat, was stopped consistently by the Ohio defense. It was the first game during the season that he failed to score.

Hawkins

Pullin

Ohio University captured its third consecutive Buckeye Conference championship as a result of a 13-0 win over Miami in the final game of the schedule. The Redskins succeeded in stopping Ohio's running attack, with the result that the Peden men turned to the aerial game for both scores.

George Collins dashed sixty-three yards for the first marker after he had taken a heave from Kepler. Kepler's pass to Harold Brown later in the game resulted in the Ohio half-back running fifty-five yards to com-

plete the scoring. Gabriel made good on one try for additional point.

Seven Ohio football players ended their playing careers at the conclusion of the Miami game. Lowell Livingston, center; Claude Chrisman, guard; Joe Esmont, guard; Kermit Blosser, end; Russell Kepler, half-back; Rex Burke, end; and Clark Gabriel, quarterback, are the graduating players.

Outstanding in Ohio's play throughout the season was the work of Chrisman at guard. He was constantly through the line breaking up opponents' plays and leading the

Snyder

Maurer

Ohio interference. Sports writers judged the Ohio guard as one of the outstanding gridgers in the state and section of the country.

Other Ohio players receiving mention on newspaper and coaches' all-star groups included George Collins, end; Bernard McCashen, tackle; Clark Gabriel, quarterback; and Russell Kepler, halfback.

In addition to Chrisman, Collins was generally selected on the state-

Harper

Stephan

wide mythical grid teams. His outstanding defensive play and scoring gave him the honors.

Although only a substitute at the beginning of the year, McCashen earned a regular tackle position near the middle of the season and rated the Associated Press team at the close of the campaign. His size plus the ability to break through the line and stop opponents' plays made him one of the leading Ohio forwards.

Gabriel and Kepler led the Ohio backfield in nearly every game. Heady play coupled with an uncanny ability in handling the ball and completing passes invariably baffled the opposition.

Kepler handled the punting job throughout the year and was seldom outdistanced. He also took care of the major share of the passing. Gabriel's brainy field generalship got the gridders out of several tough holes. The pair of Ohio backs will be hard to replace.

Basketball

An inconsistent and erratic type of basketball marked the play of the Bobcat quintet during the 1931-1932 season, as only eleven of the twenty-one games were won.

The first game of the season against Bliss College of Columbus, was very discouraging to Coach Grover and his team as Bliss beat the Bobcats for the first time in history. A great improvement was noticed in

Trace

Saunders

Brown

Lackey

the Bobcats when they played Ohio State. Only an inability to hit the basket prevented the Grover men from being victorious.

Westminster College of New Wilmington, Pa., a team of great reputation, was defeated by a 29-24 score. Of the games played during the Christmas vacation, Ohio was defeated by Toledo and Michigan State, while a lone victory was scored over Wilmington.

Wolfe

Evans

The second semester brought to Ohio a victory over Cincinnati which was the most decisive game of the season, Ohio scoring 42 points to the Bearcats' 24. In the next two games Ohio met Wesleyan and Miami and was defeated in both encounters. The Wesleyan game, played here, was a thriller, but the Bishops edged out a 37-33 victory over Ohio.

The final home games were played against the league leaders in the Buckeye Conference. Wittenberg

In the first two Buckeye encounters against Miami and DePauw, losses were taken by the Grover men. The next game was with Wabash, they being defeated by a score of 32-27. The Bobcats traveled for the next two games, the first being a defeat by Wesleyan, but in the second game Ohio played real basketball and was victorious over Wittenberg.

Sharp

Mills

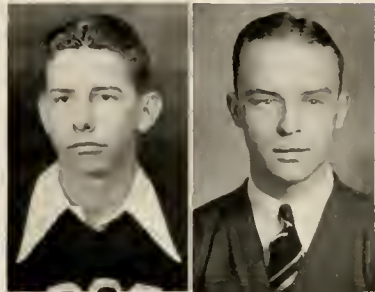

was defeated in the first game and DePauw in the second. Ohio played its best brand of basketball against the Indiana five and emerged with a deserving victory.

In the final game of the season Ohio traveled to Cincinnati and lost a heart breaker to the Bearcats by a score of 33-32.

aggregation. Trace is the lone regular to leave the team and his place should be capably filled by either Don Sharp or Roy Mills, who were lettermen this season. It is also expected that many of this year's Freshman team will find places on the varsity squad next year.

This year's Freshman squad was one of the most outstanding yearling teams ever seen at Ohio University. With eight men, standing well over

six feet, the team was a thorn in the side of the varsity in many a practice session. Some of the men who show real promise for varsity next season are: George, Canton; Reichley, New Lexington; Berrens, Lancaster; Ogg, Stewart; Morre, Lima; and Banko, Cleveland.

A large group of players reported to Coach Don Peden when the initial call for baseball candidates was issued late in March. Frank Mozdy was the only regular returning from the pitching staff and a pair of positions were open in the infield and outfield.

However, the Bobcat tossers had one of the best seasons in recent years. Miami and Denison were the only two nines to down the Green and White representatives. The pair

of defeats cost the Peden men the Buckeye leadership and forced them into second place.

In the independent schedule the high-light of the year was the 7-3 victory registered over Northwestern on the local field.

The Bobcats opened the season with the Marshall College nine at Huntington, W. Va., and returned with a close win. Mozdy and Saunders twirled for Ohio.

In the first home contest Ohio walloped Marietta, 15-1. Every play-

er on the Ohio nine hit, with Corradini and Pike getting circuit clouts.

"Cork" Mozdy, veteran flinger, made his opening start of the year at Cincinnati and turned back the Bearcats with four hits. Warshower led the Bobcat offense with a double and triple. The final score was 5-1.

In the second league game, Ohio lost a close match to Miami on the Oxford diamond, 6-5. The game was played in a hard rain which made good baseball impossible. The Redskins took an early lead and coasted

until the ninth inning, when a belated rally by the Bobcats knotted the count. Saunders relieved Mozdy in the final stanza and forced in the winning tally with a wild pitch.

The so-called weak offense of the Denison squad came to life in the next Buckeye fray and the Baptists pounded Mozdy and Saunders for ten hits to hand Ohio the second consecutive setback.

Verne Wolfe made his first start in the return engagement with Cincinnati at Athens and shut out the

Pike

Lewis

Bearcats, 10-0. The Bobcats hit hard and with Wolfe limiting the visitors to four scattered blows the result was never in doubt.

The games with Wabash and Ohio Wesleyan on a three-day trip were rained out. Five innings of the De-Pauw game were finished, with the Peden men winning, 8-0. Wolfe gave another masterful exhibition when he limited the losers to two safe bingles.

Ohio stopped Muskingum in an independent tilt, 7-2. Mozdy hurled for the locals, with Brown and Warshower getting home runs.

Stott

Peden

The Green and White nine turned the tables on Miami in a return game and took a 3-2 victory. Wolfe twirled for the local nine and held the Redskins to three safe blows. Ohio had ten hits, but inability to hit in the pinches held the score down.

Denison fell before Ohio in the last conference game. Wolfe fanned ten hitters. Lewis led the offense.

In the best game of the year Ohio pounded out a 7-3 win over Northwestern on the Ohio field. "Cork" Mozdy held the Big Ten team to seven scattered hits and fanned eight batters. A five-run rally in the sev-

Knight

enth inning after two men were out decided the result. Mozdy drove in the first tally with a long double, while Rex Burke led the hitting with three safe blows.

The Bobcats made it two straight over Marietta when they walloped the Pioneers in the last trip of the year.

West Virginia University dropped the last two games on the schedule to the Bobcats on the home diamond late in May, 5-0 and 4-3. Wolfe hurled the first win and Mozdy won his final game on the second day.

The West Virginia games closed the playing careers of Jerry Warshower, catcher; Frank Mozdy, pitcher; Earl Pflieger, first baseman; and George Brown, shortstop.

All four players were prominent in the Ohio lineups for two or more seasons. The battery of Mozdy and Warshower will be especially hard to fill this spring.

Track

Winning five out of six dual meets and scoring third in the annual Buckeye Conference championships, Ohio University's track team experienced its most successful campaign in history during the season of 1930-1931. Additional honors were also won in the Cleveland Athletic Club Meet and the Ohio Relays held last spring.

Deutsch

Brown

Morgan

Newell

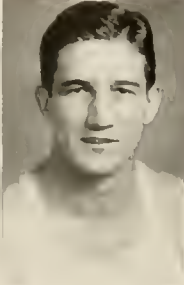

The Bobcat speedsters opened their season auspiciously by defeating Marietta College, 56-37. Strength in the field events piled up the points for Ohio.

Winners for the Green and White were: Deutsch, 50-yard dash; Morgan, mile and two mile; Newell, half mile; Westervelt, pole vault; Workman, shot put; and Gorby and Holden, tying in the high jump.

Al Morgan, star miler, and a mile relay team of Small, Reuter, Newell

Small

Kepler

Morgan, running the mile in 4:34.8, and Small, finishing first in the half mile in 2:09.4, were the other record breakers for the meet. Deutsch tied the gymnasium record of 56.3 in the quarter mile. Brown won the shot with 39 feet 3 inches.

In the first outdoor meet of the year Cincinnati was defeated on the Athens' home track, 76-55. Fred Deutsch was high scorer for the engagement with 111 $\frac{1}{4}$ points. He

and Deutsch, went to Cleveland for the annual C. A. A. Meet. Morgan finished second in the mile, behind Joe Sivak, Butler University and National Collegiate champion, and the relay scored third.

Ohio offered unexpected competition to Ohio Wesleyan's representatives in their meet and after a stiff fight lost to the Bishops, 60-44 Stemen broke the indoor pole vault record of 11 feet 5 $\frac{1}{2}$ inches by soaring to the height of 12 feet $3\frac{1}{4}$ inch.

Workman

Stemen

made a new record of 50.9 in the 440 and tied the 100-yard mark of 10.3 seconds. Morgan also erased the old figure in the mile run, loping the distance in 4:26. Ohio men to win were Reuter, Newell, Reilly, Brown, Blosser and Goos.

Marietta was badly defeated in the return meet, 94½ to 36½. Deutsch was again high point-scorer of the day. Three new records were made by Bobcat athletes. Kepler

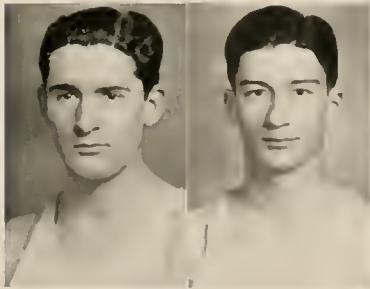

Reuter

Weston

Reilly

Gorby

threw the javelin 162 feet ½ inch, Maurer accomplished 21 feet 2 inches in the broad jump, and Westervelt pole-vaulted 12 feet ½ inch for the outdoor record in this event. Ohio winners were Small, Morgan, Reilly, Slattery, Brown, and the mile relay of Small, Deutsch, Newell, and Kepler.

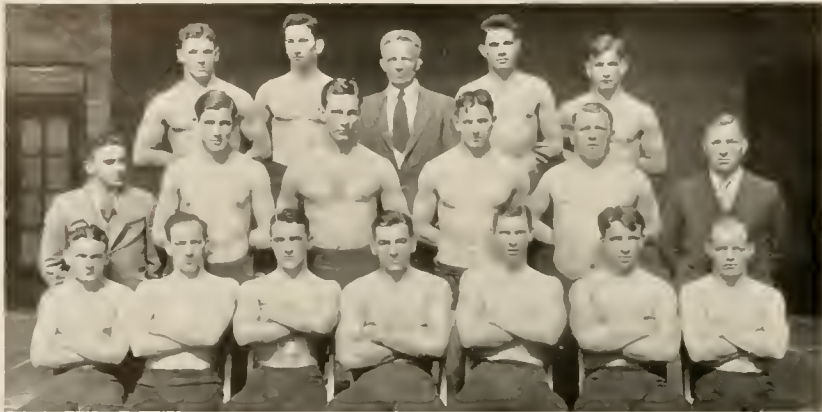

Two Ohio teams won plaques in the Ohio Relays in competition with other colleges from the Middle West. The sprint relay of Deutsch, Small, Kepler, and Morgan finished second and the two mile relay of Deutsch, Newell, Small, and Morgan finished third.

For the first time in history, a Bobcat track team defeated Denison, 76-60. A rally in the late events pulled the meet out of the fire. Brown made a new Ohio record for the discus throw when he hurled the platter 119 feet 51½ inches, and Kepler was also credited with a new standard when he increased his javelin figures to 162 feet 7 inches. Ohio winners were Deutsch, Newell, Morgan, Reilly, Stemen, Westervelt, and Workman.

The closest meet of the campaign occurred against Muskingum when a first in the mile relay gave Ohio University the victory, 66½ to 63½. Morgan, running the mile in 4:25 and the two mile in 10:05, was responsible for two new marks. Deutsch made another in the 220 with 21.7 seconds and Brown threw the discus 125 feet 7 inches to complete the record breaking. Deutsch was individual star, winning the 100, 220, 440 and running on the first-place mile relay.

The Bobcats engaged in only three dual meets, two of which were against Ohio State University. For the second year in succession, Ohio tied with Western Reserve for the State of Ohio wrestling title.

Stanley

Wells

Ohio startled wrestling circles by tying Ohio State in their first meet at Columbus, 16-16. Keller and Wells threw their opponents. Other winners for the local team were Clark Gray and Blosser.

Wrestling

Thor Olson's wrestling squad enjoyed one of its shortest but most profitable seasons during 1932. Kermit Blosser won the distinction of being the most outstanding grappler ever to wear an Ohio uniform when he successively won the Buckeye Conference heavyweight crown and the National Collegiate championship in 191 pounds.

Keller

Busha

Against Kent State, which Ohio defeated, 25-13, the winners were Wells, 126; Keller, 135; Busha, 145; Clark Gray, 165; Lloyd Gray, 175. Blosser was thrown when caught off guard in the heavyweight.

State won the return meet between the two schools, 20-10. The only Ohio men to win were Keller and Sintic, 175. Both scored by falls.

Blosser, in winning the national college title, qualified for the final

Olympic try-outs held in Columbus. This was his second season as a member of the wrestling team. He competed as a Freshman and kept out of the sport in his Sophomore year. Coach Olson deserves credit for developing Blosser from a green newcomer to the greatest grappler who has ever worn a Bobcat uniform.

Tennis

Ohio University's tennis team went through its most successful season in years, winning all dual meets, and scoring a second place in the doubles at the Buckeye Conference championships held at Cincinnati at the close of the season. Members of the squad under Coach O. C. Bird were Doll, Graban, Martin, Gardner, Bright, Test, Sayle, and Cartwright.

Teams defeated were Ohio Wesleyan, Wittenberg, and Denison. The last two meets went to the Bobcats. Only Ohio Wesleyan was able to win more than a single event in a meet against the Green and White. The Bishop netmen won two out of six encounters, while Wittenberg and Denison were able to come out on top but once in each engagement.

Playing for the first time during the season on dirt courts, they experienced difficulty at the beginning of the Wesleyan matches. But after the men became used to the courts they played well enough to capture a 4-2 victory. Winners were Martin, Doll, Eddie Gardner, and the doubles team of Doll and Martin.

Ability to come from behind on several occasions brought the Ohio University tennis team its second consecutive victory of the season when the Denison University courtmen were defeated at Granville, 5 to 1.

Wittenberg offered stiff opposition to the Ohio court players, but fell before the superior playing to the score of 5 to 1. After this meeting with

the Lutherans, the Green and White team defeated Denison again by the same score.

The Bobcat netmen went to the Cincinnati courts in their quest for the conference title with an undefeated slate. The only other team in the league to boast of such an accomplishment was Cincinnati.

Doll and Gardner, the two entrants from Athens, failed in the singles, but won their preliminary matches in the doubles event. In the finals they faced Huffman and Flax, Cincinnati athletes, who had played each other previously to decide the singles championship.

Fast and close playing featured the match between the two doubles teams. However, the Bearcat representatives jumped off to a one-set lead, holding their opponents to two games while winning six themselves. All the contestants improved in their play in the second set, but the Cincinnati men were a bit better, carrying off this portion of play by 6-1. The last set was even closer than the preceding two, but the Queen City duo won the set and match, 6-3.

The showing of the tennis team gave it a position comparable to the title-holding squads of the year.

Resume' of Intramurals

BY WILLIAM J. TRAUTWEIN
Director of Intramurals

Every college man should definitely plan for some leisure time. With this thought in mind, it is the aim of the Department of Intramurals to offer to every student the opportunity to take part in some form of sports or recreative activity as regularly as his interest and time will permit.

Ohio University is building its intramural program with the idea of making it the very best possible and it is hoped that in time everyone will be taking part in the activities provided by the program.

In reviewing the intramural season of 1931-1932 it is found that more men are taking part, rivalry is keener and the games are more hotly contested.

Volleyball provided a spirited contest during the month of March. Phi Delta Theta was the winner of the Class A championship, while Lambda Chi Alpha took the Class B championship. The Tigers won the independent championship.

The wrestling tournament, with fifty-seven men taking part, was very interesting. The following men were winners in their respective weights: 118 pounds, Green; 126 pounds, Stafford; 135 pounds, Wells; 145 pounds, Stanford; 155 pounds, Ruff; 165 pounds, Keller; 175 pounds, Sintic; heavy-weight, Gray.

Tau Kappa Epsilon won both Class A and B championships in playground ball. The Robins were the winners in the independent group.

Horseshoe pitching is becoming a popular sport, Phi Kappa Tau winning the Class A championship and Sigma Pi winning the championship in Class B. Herman and Laskin won the independent championships.

Delta Tau Delta and Tau Kappa Epsilon divided the Class A and B tennis championships in singles and doubles. Hartman and Harvey won the independent championships.

Sigma Pi, by placing men in practically every event, easily won the outdoor track meet with 311½ points. Tau Kappa Epsilon was second with 19 points.

Alpha Chi won the fraternity championship in indoor baseball, and later won the all-campus championship by defeating the Robins, who had won the independent championship.

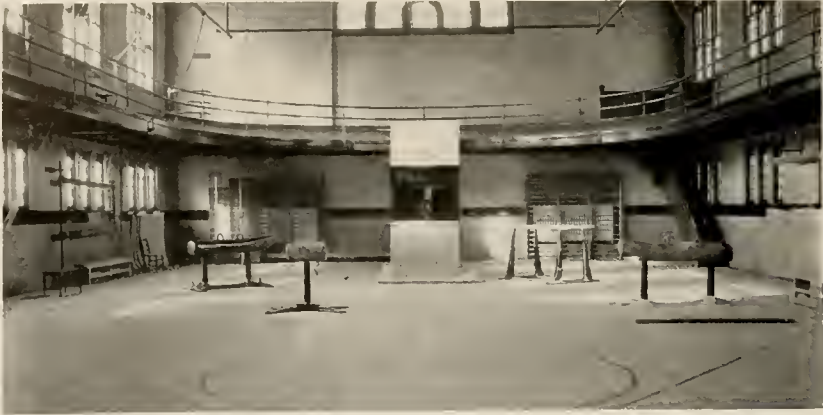

Basketball was most hotly contested, Chi Sigma Chi winning the fraternity championship and the All Stars winning the independent championship. The All Stars won the all-campus championship by defeating Chi Sigma Chi.

In a very interesting indoor track meet, Beta Theta Pi won the fraternity championship.

Varsity "O" Association

The Women's Varsity "O" Association consists of those members of W. A. A. who have earned 1300 points in sports, who have won numerals in at least four sports, who have an average scholastic standing, and who have been approved by the executive committee of W. A. A. Other requirements are a pleasing personality, a democratic campus spirit, a well developed sense of responsibility, and habitual good posture.

Members of the association this year are Lillian Aitken, Leah Tyson, Louise Ralph, and Sophia Elikan. Miss Sarah Hatcher, Miss Harriet Rogers, and Miss Marian Ickes are honorary faculty members. Varsity "O" honors one of its members each year by selecting her as the most representative girl on the campus of Ohio University.

Women's Athletic Association

The Women's Athletic Association of Ohio University offers a variety of sports throughout the year, with the physical betterment of the women of the University as its aim. The four sports seasons include hockey, tennis, basketball, swimming, volleyball, apparatus, baseball, and track. Hiking and dancing are in vogue all year round.

Membership is awarded when a girl has earned 100 points in sports, and in order to retain her membership she must win 100 points each year thereafter.

Women's intramurals also come under the list of W. A. A. activities. Tournaments in the various sports are sponsored among sororities and between dormitories. Surrounding colleges were invited to the annual Playday which was held on April 30. The Annual W. A. A. Carnival held on October 31, was the concluding feature of the Homecoming celebration.

Officers of W. A. A. are: Lillian Aitken, president; Emily Pafenbach, vice president; Nellie Towles, secretary; Kathryn Lutz, treasurer; and Louise Ralph, social chairman.

Ohio Aquatic Club

The Ohio Aquatic Club was organized in 1925 for girls interested in swimming, diving, and water sports. Try-outs are held twice each year for girls who desire to become members. The form and endurance of the individual in several kinds of water sports are considered.

The major activity of the year is the presentation of a Water Pageant. The theme of this year's pageant is Lucy Proudfoot's "The Giant's Garden", an adaptation of Oscar Wilde's fairy tale, "The Selfish Giant". The pageant affords an opportunity for formal swimming, diving, and dancing.

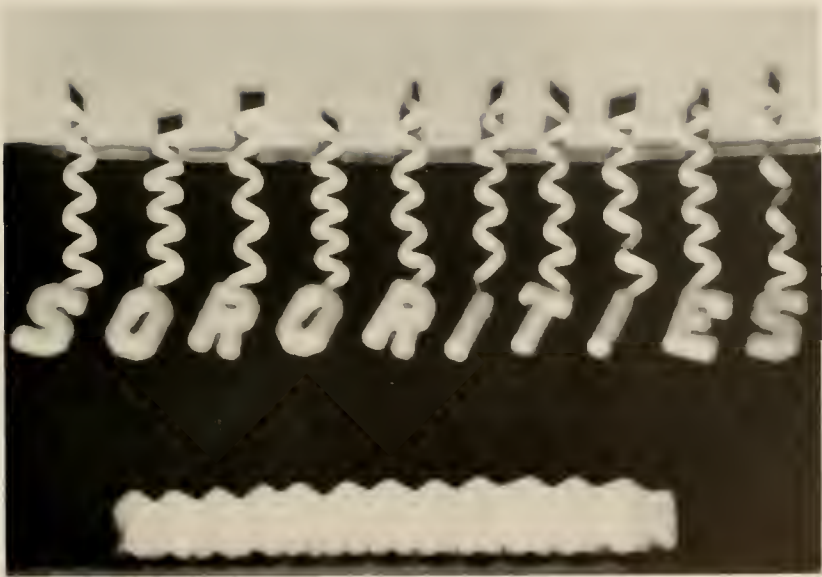

One of the projects on which the club concentrates is the Master's Swimming Test. An emblem is awarded to each girl who passes the required tests.

Officers of the club are: Ruth Mayer, president; Leah Tyson, vice president; Edna Lindblum, secretary; Justine Krejci, treasurer; and Ethel Roderick, social chairman.

Mr. Rexford L. Baxter
"1932 Athena"
Ohio University
Athens, Ohio

Dear Mr. Baxter:

I feel very much flattered that you think I am capable of picking the six most attractive girls in your school.

With all the work I have before me, I don't suppose I should undertake another thing but I can't resist your invitation to look over so many interesting photographs! Besides, I have a very warm feeling for The Ohio University and would like to help you in the contest. So send along the pictures and I'll do my best.

All good wishes to you

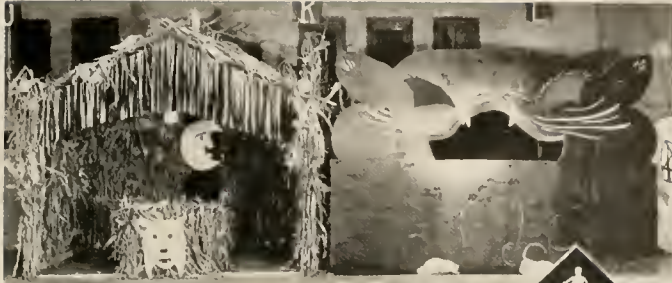

Sincerely,

OHIO'S TRADITIONS

Ohio is the oldest school west of the Alleghenies, but in universities, unlike eggs and women, age is a desirable thing. Ohio boasts of her age and her many traditions built up by several generations of students. Ohio students grow to love and worship these traditions, and none would dare to profane even the most insignificant of them. "Students may come and students may go, but our traditions go on forever"-----"tempis fugits"-----"quo wadis".

THE MCGUFFEY ELMS

Towering majestically above the campus, like monarchs of old watching over their domain, are some big trees, alleged to be elms. To look at them one would never know they were anything but ordinary elm trees. But they are—oh, very much so. They were named after a Mr. McGuffey. Just who he is we have been unable to ascertain exactly, but that doesn't detract from the fame of his elms. Ask any Ohio man.

CUTLER HALL

In the center of the campus stands an old, grey, box-like building, built on the plan of an old fashioned country schoolhouse. It is very innocent looking from the outside, but do not be deceived by its appearance. It houses the dean of men, the offices of the psychology department, and a bunch of white rats used for experimental purposes only. On each side of Cutler Hall, like two little off-springs stand the two Wings—East and West. Tradition has it that Cutler is the oldest building on the Campus with East and West Wing following. The only thing that prevents the

tearing down of these three eye sores is the "don't sell the old homestead, mother" attitude of the old-timers.

THE DRINKING FOUNTAIN

In back of Cutler Hall beneath a weeping willow tree stands the traditional drinking fountain, a meeting place for the campus lovers. Students and pigeons alike drink its cooling waters, and it is rumored that the latter have little regard for the sanitary aspects of it. It has been said that they

front booth for three hours and see every Ohio student pass, at least once. This is slightly exaggerated, however. We know one girl who never went in the place for three whole days. Here is the place where students gather between classes (and occasionally instead of them), criticize the administration, and decide the problems of the nation over their hors d' oeuvres and dirty milks. Life long friendships and hour-long romances originate within the recesses of this den of something or other. The campus big-shots rub elbows with the hoi-polloi and vice-versa, and the high school students come in to get a worms-eye view of college. Everyone sits around and waits for everyone else to put a nickle in the automatic victrola. A very dangerous place to expose a package of cigarettes.

HOMEcoming

A certain day of the year is set aside upon which alumni may return to the campus, see their Alma Mater win a football game over the easiest opponent on the schedule, drink four more shots of rotten likker than they can hold, and bore their undergraduate fraternity brothers with tales of "when I was in school—". This day is called "homecoming" with the purpose in mind of making the old boys feel that dear old Ohio is home to

oldest graft west of the Alleghenies, originated and maintained for the purpose of supplying certain juniors with the where-with-all to pay for their senior year of schooling. It was originally a party given by the entire Junior Class in honor of the Senior Class, hence the name "Junior Prom". In late years, however, the name has been changed to the "Toupee Formal", due to the fact that the event has degenerated from a campus wide social affair to a money-making scheme of the political party from which its new name is derived. Everyone who attends does so in order that for the rest of the semester he may be able to talk about the amount of gin he consumed and how he dodged the chaperones.

BETA THETA PI

It all began in 1841 when, for no reason at all, the Betas opened up a branch office here and proceeded to do business on a small but promising scale. a Beta pin with the diamond removed. The pledge pins are in evidence mostly in the early fall. The chapter is housed in a boiler factory in the heart of Athens' industrial section.

LAMBDA CHI ALPHA

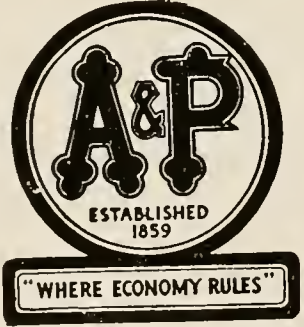

The local chapter of Lambda Chi was established at Ohio in 1918, and, in the face of the terrific competition by sororities managed to survive. The fraternity believes in conservative expansion and has only chartered about 78 chapters since 1909. The Pinkerton Agency reports that the chapter is living in a coal shed on South Congress Street at present. The chapter officials confessed that the fraternity flower is a violet. The Lambda Chi pin is a crescent-shaped affair with the Greek alphabet inscribed ingeniously thereon.

THETA CHI

In a sudden spasm of expansion the Theta Chi fraternity installed a chapter at Ohio in 1925. The pin, which is said to resemble a very, very, salty pretzel, may be seen frequently on East State Street, or nightly in the grand ball-room of the local hostelry. The chapter gave a formal at the Men's gym last April which, in some ways was very successful. An hotel on the Parkersburg road has been converted into a boarding house and serves as a home for the chapter.

DELTA SIGMA PI

Delta Sig is a national society for the protection of tired business men which suddenly appeared on this campus in 1925 and has been suddenly appearing and disappearing ever since. The chapter motto is, One Hundred Numeral Sweaters by 1940. The badge re-

TAU KAPPA EPSILON

In 1927 the Tau Kappa Epsilon fraternity established a chapter on the Ohio campus, but shortly afterward moved onto a farm located near Canaanville, Ohio. The members are known as "Tekes" and are very sensitive about being confused with members of Delta Kappa Epsilon. The badge resembles a Hi-Y pin with a few decorations. Several members were recently seen in public and are said to be students in the university here.

SIGMA DELTA RHO

Sigma Delta Rho is another of the famous fraternities founded at Miami and was first discovered on the Ohio campus in 1928. The local branch is admittedly the frater-

nity's big-shot chapter. The fraternity itself is of an exclusive nature as it is confined to less than ten chapters. The chapter house is located on North Congress Street in one of the many structures worn out by the Delts. The badge resembles a cracker-jack prize and displays a multitude of pearls reported to come from contented oysters.

PI KAPPA ALPHA

Pi Kappa Alpha came to this campus several years ago when a local rooming house was granted a charter to the fraternity. The fraternity was formerly confined to southern institutions and is reported to be very strong in Equatorial Africa. The local chapter had led a sheltered existence, and members are seldom seen on the streets. The chapter live in a silo somewhere on College Street. Their flower is a lily. The pin is a rectangular affair with handles on each side.

GAMMA GAMMA GAMMA

The Tri-Gams are a local outfit which sprang up in 1923 and have been springing ever since. The chapter maintains a rooming house on West Carpenter Street and confines itself to a small membership. The

badge is a triangle with a butcher knife thereon. Reported willing to affiliate with Phi Psi or some other promising national.

CHI SIGMA CHI

The Chi Sigs are also a local tong and limit membership to students having a model "T" Ford or a varsity letter. The chapter recently purchased a dwelling from Sears-Roebuck, which is situated somewhere on Morris Avenue. The Chi Sig pin suggests a Ferris-Wheel with the rim removed. Will consider Sigma Chi or Kappa Sig.

ALPHA DELTA BETA

The Alpha Delts are likewise local and are known for their excessive number of "open-house" nights. The fraternity occupies the Chubb Library and a house on Mill Street. May go Psi U or Phi Gam some day if properly approached. The badge looks like something or other.

PHI KAPPA

The Phi Kaps came here in 1929, and, as far as it is known, are still in existence. The chapter lives in a hut surrounded by ice cream factories on East State Street, and once in a while members are seen uptown. The manufacturer of Phi Kap badges is reported responsible for the recent shortage of oysters as a food supply.

PHI UPSILON

The Phi U's are a local club limiting membership to New York and have offices on Morris Avenue. The Phi U pin resembles a Deke Badge only it is entirely different. Z.B.T. and Pi Lam, please write.

SIGMA DELTA PHI

Sigma Delta Phi is also a local lodge which originated recently. Their hang-out, sometimes known as the Italian Embassy, is located on East State Street in the heart of the new exclusive Greek section. Detectives assigned to this case have been unable to report a description of the badge.

ALPHA CHI

According to reports, Alpha Chi is a recent local fraternity which resides on a tobacco plantation on East State Street. This outfit, it seems, was once a medic society, but lapsed back into a local for no good reason. The Alpha Chi pin resembles a five-sided circle with a couple of feathers and the word "AX" thereon inscribed. Might consider D. U.
